

AWWF

Australian Waterski
& Wakeboard Federation

27 July 2009

Dear Member,

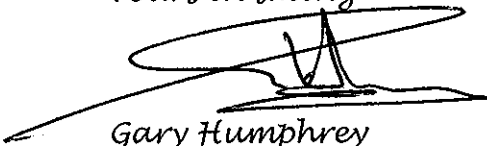

The 2009/10 membership year has arrived and I invite you to renew your membership of the Australian Waterski and Wakeboard Federation (AWWF) for the period October 2009 to September 2010.

We are pleased to advise that this year we are endeavouring to provide you with more membership benefits to increase the value of the AWWF membership. This will include Boat insurance, AWWF apparel, new Club affiliation packages, discount Waterski mag subscription, a social membership for the first time and much more to come. I am hoping to have more details for you when you receive your new membership card.

Once again we have negotiated a very comprehensive and value for money Insurance policy with Willis Insurance. A summary of that policy can be found on the AWWF web site under Documents. With the current economic times and our successful year last year the Board decided to maintain the existing membership fees as last year.

Please find enclosed an AWWF membership renewal form. Please complete both the Application and the Declaration (reverse side - must be signed) and return to the AWWF office along with payment. Once processed, a membership card will be dispatched to you by return mail.

Yours in skiing
